

EUCRAC – EU Rights Assertion Certificate

This document represents the initial public release of the EU Rights Assertion Certificate prototype, developed and maintained by **Tuairisic OÜ**, under the leadership of **William Waters**.

- Repository URL: <https://github.com/billy-tuairisic/eucrac-rights-assertion>
- Version: v0.1.0
- Release Date and Time: 2025-08-30 14:54:30

Declaration of Origin and Intent:

This document and the associated repository constitute a timestamped authorship and proof of original concept for the EUCRAC initiative. It is released publicly under the European Union Public Licence (EURL v1.2) and authored by William Waters for and on behalf of Tuairisic OÜ.

This version serves as a milestone in the development of digital, citizen-led infrastructure for EU rights assertion and may be updated in future releases.

Digitally signed by: **William Waters**

On behalf of: **Tuairisic OÜ**
